MODULE 01

HOW TO CLEANSSE AND STORE YOUR DECK

Cleansing and proper storage keep your Tarot in good physical condition and protect its energy. Do it with love and consistency.

ENERGETIC CLEANSING

Choose the method that resonates most with you and with your deck.

SACRED SMOKE

Gently pass your cards through the smoke of sage, palo santo, or natural incense.

MOONLIGHT

Place your deck under the light of the full moon for a few hours (or all night).

CRYSTALS

Place it on an amethyst, clear quartz, or selenite.

SOUND

Use bowls, bells, or tuning forks to harmonize the energy of your cards.

INTENTION

Hold your deck and breathe deeply, visualizing light that cleanses and protects.

IDEAL STORAGE

Store your deck in natural fabric bags (cotton, linen, or velvet).

Use sturdy boxes and always keep them clean and dry.

Avoid direct sunlight, humidity, and sudden changes in temperature.

Keep it away from magnets and electronic devices.

Store it in a quiet, elevated place dedicated only to your practice.

EXTRA TIPS

- u Do not leave your deck on the floor or in passageways.
- u Avoid letting other people use it without your permission.
- u If a card is damaged, repair it with transparent tape or replace it with one from the same deck.

"A well-cared-for deck is a reflection of your respect for the magic that dwells in each card."

*Small oversights can affect the energy of your deck and the clarity of your readings.
Get to know them so you can avoid them and keep your cards always protected.*

MISTAKES YOU SHOULD AVOID

NOT CLEAN- SING YOUR DECK

Stagnant energy can make readings confusing or heavy.

STORING IT IN INAPPROPRIA- TE PLACES

Humid places, with heat, dust, or disorder alter its energy.

LEAVING IT WI- THIN EVERYO- NE'S REACH

Allowing other people to touch it can mix their energies.

The deck needs to rest and maintain its stable energy between readings.

USING IT FROM DOUBT OR FEAR

NOT PROTEC- TING ITS ENER- GY

Without energetic protection, your deck can absorb vibrations that do not belong to it.

FORCING CONS- TANT READIN- GS

Excessive use without rest can exhaust your deck and your own energetic field.

NOT CONNec- TING WITH YOUR DECK

If you do not create a bond and trust, the readings can feel superficial.

TOUCHING IT WITH DIRTY HANDS

The energy of your hands is transferred to your cards. Clean them before using them.

FORGETTING TO GIVE THANKS AND CLOSE THE READING

Closing the cycle is essential to release the energy used and maintain balance.
